

FingerLakes COMMUNITY COLLEGE FOUNDATION

Our students have big dreams, and your gifts help bring them to life. Your belief in the mission and value found in this region's community college provides the ultimate gift—opportunity.

Your investment helps ensure that FLCC students benefit from quality opportunities offered both in and out of the classroom. You help change our students' lives, and they will impact the world.

Our Commitment to Your Privacy

The information you share with Finger Lakes Community College when you make a gift is confidential. If you decide at any time that you do not want your name included in the Honor Roll, please e-mail foundation@flcc.edu or call (585) 785-1205.

If you leave a message, please be sure to tell us your full name and class year if you are and alumnus.

The Finger Lakes Community College Foundation is a 501 (c) (3) charitable corporation established to seek financial support for the College from the private sector.

Given the ever-increasing constraints and reduced levels of public funds, private giving is increasingly important to public higher education. Private contributions are vital to maintaining a standard of excellence at Finger Lakes Community College.

The Foundation assists the College with equipment purchases, special projects, faculty and special purpose campus events.

The Foundation also receives and manages scholarships that help deserving FLCC students with tuition, books and supplies, room and boards and transportation. Scholarships help recruit students to programs that support the workforce needs of the region. Emergency program offer options to students in urgent situations to access grants to defer costs so choices about staying in college or paying an emergency bill do not have to be made.

The Foundation is home to the CCFL/FLCC Alumni Association.

The Alumni Association develops relationships with alumni and students of the College to support efforts that benefit alumni and advance the mission of the College.

In addition, the Foundation owns and maintains three properties for the College's use.

The 40-acre Muller Field Station on Honeoye Lake offers a unique learning environment where students participate in telemetry research, walleye culture and river otter studies. Muller, adjacent to 1,000 acres of state land, houses a retreat center and working fish hatchery. The East Hill Campus in Naples continues to develop its focus and wildland fire suppression training and conservation class offerings. On the main campus in Canandaigua, the FLCC Honors House program offerings expand annually hosting classes, meetings, events, and exhibits designed to encourage critical thinking, creative expression and mindful action.

BE AN ANGEL

Annually during the holidays, FLCC employees participate in an internal effort to benefit students. In 2016, Be an Angel! asked for support of the Food Cupboard Fund, and Jane's Fund. These funds support students and their families in emergency situations.

The Storefront Pioneers Society recognizes those individuals who have created an endowment or named the Finger Lakes Community College Foundation as the beneficiary of a will, living trust, life insurance policy, donor-advised fund, life-income or other planned gifts. Benefits membership include invitations to other special events, recognition in our publications, preferred seating at College cultural performances and the satisfaction of knowing you have made a meaningful difference for Finger Lakes Community College.

If you would like to join them to help ensure the future of Finger Lakes Community College, contact Executive Director Amy Pauley at 585.785.1541 or by email at foundation@flcc.edu.

Finger Lakes Community College Foundation presented **Vintners and Valentines**, a fundraiser for the Viticulture and Wine Technology program at Finger Lakes Community College on February 12, 2016 in the Café at Finger Lakes Community College. Intended as a winemaker's dinner showcasing Finger Lakes Wineries, each table was hosted by a local winery (winemaker or assistant winemaker) or a student from the Paul Brock led Viticulture program. The winemaker paired their wines with a gourmet meal designed and prepared by FLCC culinary students led by Jamie Rotter, Culinary program coordinator. FLCC's first Vintners and Valentines raised nearly \$19,000.
